

Virtual Instruments End-of-Sale Announcement

2nd Generation of Load DynamiX Workload Generators

Last updated: June 01, 2018

Document ID: VI-EOL-2018-0001

Revision 1.0

Virtual Instruments is initiating the End of Life (EOL) process for the 2nd generation of Load DynamiX Workload Generators (aka Load Generation Appliances).

Virtual Instruments will continue to offer and provide support for the EOL products two (2) years from the End of Sale Date announced below for those customers with a valid support contract subject to Virtual Instruments support policies.

| Milestone | Date |
|--|---------------|
| End of Sale Announcement | June 01, 2018 |
| Last Time Buy | N/A |
| End of Sale Date | June 01, 2018 |
| End of Life / End of Support Date [^] | June 01, 2020 |

[^] For affected products purchased on or after June 01, 2015, the End of Life / End of Support Date is extended to the date five (5) years from the Purchase Date.

Products Affected by This Announcement

| Virtual Instruments Part Number | Product Name |
|---------------------------------|------------------------------|
| 200-200001 | HW LDX WLG LDX-3108 |
| 200-200303 | HW LDX WLG LDX-3116 |
| 200-200002 | HW LDX WLG LDX-5102 |
| 200-200399 | HW LDX LoadGenAppl LDX-5102T |
| 200-200302 | HW LDX WLG LDX-5104 |
| 200-200003 | HW LDX WLG LDX-5108S |
| 200-200004 | HW LDX WLG LDX-5108T |
| 200-200005 | HW LDX WLG LDX-6202 |

* Denotes a replacement product that is functionally superior than the affected product, in terms of port density, and / or port speed, and / or storage capacity.

Denotes a replacement product that has a different cabling type.

^ Denotes a replacement product that is packaged as a Virtual Machine (unlike the affected product), where performance and repeatability are not guaranteed because they depend on your host environment.

+ In addition to the note above, requires quantity of two (2).

Next Steps

For more information about Virtual Instruments products, and for Trade-In / Upgrade incentives for an affected product, please contact your Virtual Instruments account manager.
